July 09th, 2024

Dear Customer,

In accordance with the City of New London Ordinance, Section 21-144 (Discharging to Sewerage System; Operation of Night Soil Receptor Station; Non Piped Sewerage Wastes).

The following rate changes will be effective August 1st, 2024.

1. Charges for Waterford and New London customers shall be \$52.87 per one thousand (1,000) gallons, or any part thereof.
2. Charges for all other customers shall be \$79.32 per one thousand (1,000) gallons, or any part thereof.
3. Charges for Filtrate customers shall be \$33.84 per one thousand (1,000) gallons, or any part thereof, for bona fide emergencies an additional \$52.50 per visit.

If there are any questions pertaining to these rate changes please contact James R. Locke, New London Utilities, (860) 447-5222.

Sincerely
James R. Locke Jr.
